Thank you for contributing to the Event/Project. By signing this form you agree to the following terms:

1. I hereby consent to the use of the recording of my child incorporated into the digital material my child has prepared and submitted to the Event/Project (“Contribution”) for the purpose of incorporating in whole or part the Contribution into the Event/Project and associated promotional material, the nature of which has been fully explained to me.
2. I grant a non-exclusive licence to the University of Cambridge (“the University”) and all other participants in the Event/Project (and those authorised by them) to copy, adapt and make use of the Contribution for the above purpose and for all reasonable non-commercial educational and promotional purposes of the University, by all means and in all media (in whole or in part, transcribed or otherwise), such use including but not limited to print and online publication and broadcast, e.g. in University websites and social media such as YouTube, Facebook and Twitter.
3. I acknowledge and accept that my child will be credited where editorially appropriate (as determined by the University) but it may not be possible for my child to be credited in all cases, for example where the use of the Contribution is in short clip used as promotional material for the Event/Project. I further acknowledge and accept that the University is under no obligation to use the Contribution and may edit the Contribution as it sees fit.
4. To the best of my knowledge and belief, the Contribution will not infringe the copyright or any other rights of any third party or contain any defamatory material. Should the Contribution contain third party material such as others’ text or still or moving images or of anyone in an image, the copyright/personal data in that content may belong to someone else, which means that I agree that I have obtained their permission/licence/consent as applicable to include it in the Contribution and allow it to be used for the purposes set out above.
5. I understand that I have the right to withdraw this consent at any time by emailing the Event/Project Organiser named above, in which case the University will take reasonable steps to ensure that the Contribution is not used by the University in future publications but may continue to appear in copies of the Contribution already in circulation.
6. The information provided and/or described in this Form is to be used for the purpose described above and is managed and stored by the University with my consent. Further information about the University’s use of my personal information is at: <https://www.information-compliance.admin.cam.ac.uk/data-protection/general-data>.
