

## How to get to the Seminar Room in Old Cavendish East

### Climate Challenge 2024

The weekly training sessions for this year's Climate Challenge all take place in the Seminar Room in the Old Cavendish East building on the New Museums Site. We have created this handy document to help you find the venue.

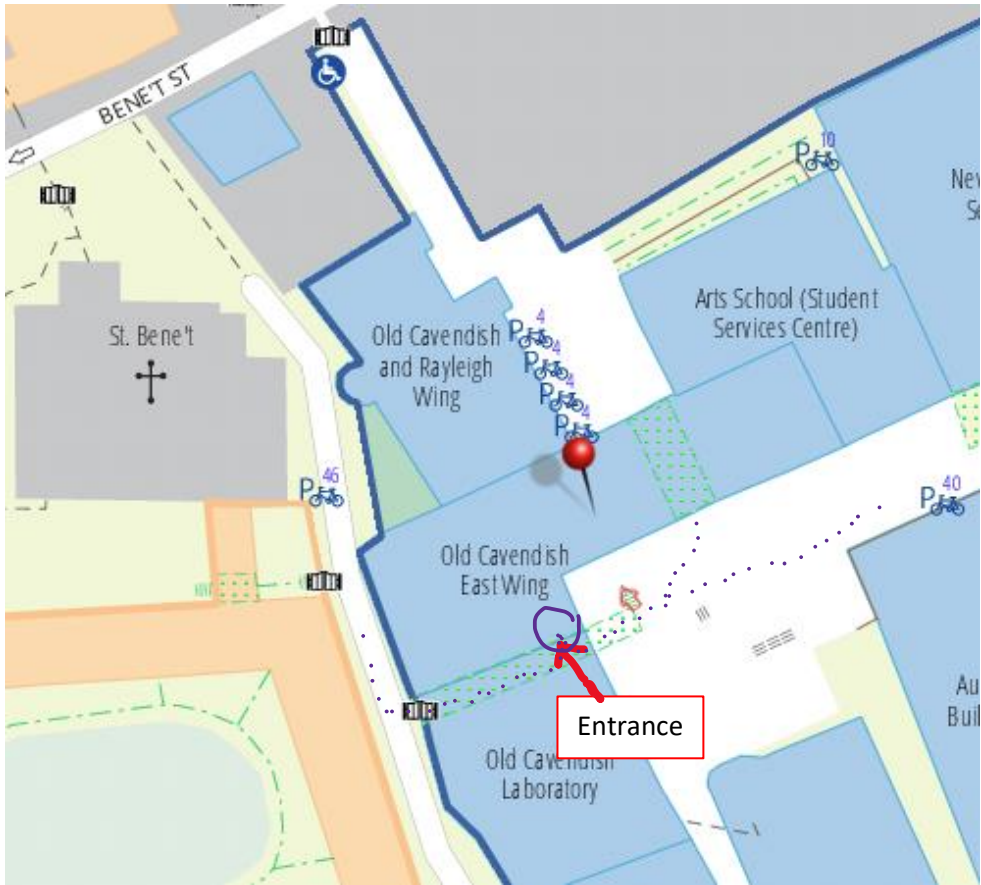

For full details of the Climate Challenge and the programme of weekly training sessions, please see here: <https://www.zero.cam.ac.uk/who-we-are/blog/climate-challenge-2024>

This is a map of the New Museums Site, with the Old Cavendish East Wing marked with a pinpoint.

You can enter the New Museums Site via three different entrances (marked by green circles):

- Bene't Street (opposite the Bath House pub) - accessible entrance
- Free School Lane
- Pembroke Street

The entrance to the building you are looking for is indicated by the map above. It is located in the covered entranceway indicated on the map above by the green dotted corridor. The door you are looking for is pictured below.

Follow signs to the 'Seminar Room' which is listed under 'Department of Sociology'.

The Seminar Room is located on the first floor, up one flight of stairs. There is also a lift next to the stairs. Both are pictured below.

Once you're on the first floor, continue to follow signs to the Seminar Room. You will have to walk through another door (pictured below), continue walking straight towards the bathrooms at the end of the hallway, and the Seminar Room should be on your right.
